## *PAGE'S* QUALITY *SEEDS*

IN BULK

SEASON OF 1952

"At Your Service  
For the 56th Year"

## The Page Seed Company

GREENE, NEW YORK

Greene, New York

February, 1952

Gentlemen:

It's time again for us to get our Spring Price List off to you. This makes the 56th year we have prepared this list. We trust the brief description, with the approximate number of days to maturity under each item is of some assistance to you in making your sales. Should you be in need of any sales aids, we shall be more than happy to supply you with them. We wish to call your attention to the allied items listed in the back of the book. Many of these will help you in increasing your sales.

Due to some crop failures and some shortages, we are not able to offer certain items. Where these occur we hope that you will be able to make another selection that will serve as a substitute. All previous quotations are cancelled. These prices are offered with the understanding that they are subject to change without advance notice, and subject to stock remaining unsold when the order is received.

These are Dealer prices, that is for those firms that resell seed at retail. Terms on orders are: Vegetable, Flower and Lawn Seed—1½% 10 days, 60 days Net to firms of approved credit rating, or for cash with the order, F.O.B. Greene, N. Y. All other items listed are: Net Cash (no discount), or cash with order, F.O.B. Greene, N. Y.

All orders shipped out by us are sent with the understanding and agreement that "The Page Seed Company warrants to the extent of the purchase price that seed, plants or bulbs sold are as described on the container within recognized tolerances. Seller gives no other or further Warranty, express or implied."

Very truly yours,

THE PAGE SEED CO.

# WHOLESALE PRICE LIST

# WOOSTER Lawn Bilder

TRADE MARK

the long lasting Lawn Food  
containing 2,4-D Weed Killer

DOES 3 JOBS IN ONE  
SIMPLE OPERATION

**1** Promotes luxuriant growth of grass. Contains a quick-acting supply of nitrogen, phosphorus and potash for a fast pick-up, and a slow-acting supply for continued feeding. The nitrogen and phosphorus are provided by the soybean meal base.

**2** Kills obnoxious weeds. Contains 2,4-D Weed Killer to free lawns from dandelions, plantains, buckthorn and other common weeds, without injuring grass plants.

**3** Improves soil. Organic ingredients add humus, improving the soil and making it more retentive of moisture.

25 lbs. treat  
2500 sq. ft. of lawn

Not Recommended for Newly Seeded Lawns or Creeping Bent Lawns—  
Use Wooster Plant Bilder for These.

10 lb. bag .....	\$1.29
25 lb. bag .....	2.75
50 lb. bag .....	4.85

## WOOSTER Plant-Bilder

THE LONG LASTING FERTILIZER

Wooster Plant bilder is an ideal double-action fertilizer for newly seeded lawns, creeping bent lawns, flowers, vegetables and shrubs—a quick-acting supply of nitrogen, phosphorus and potash for quick pick-up and a slow-acting, long-lasting supply (from the soybean meal base) for continued feeding. For general use, broadcast 4 pounds of Plant Bilder to 100 sq. ft. of surface.

## **PACKET SEEDS**

If you do not already have a display of Page's Seed Packets ordered, you can still send in an order. An assortment of Vegetable and Flower Packets will be sent, shipping charges prepaid. These cases of packets are supplied to Dealers on a Contract of Sale and Return. The unsold packets are returned at the close of the season for credit. The discount on sales is based upon the volume of sales made. The more you sell, the higher the discount.

All displays should be checked frequently during the selling season and orders placed for additional packets when it is seen that the supply is running low. By maintaining your supply, you increase your sales.
